Sports Roundup

A support group will be held Sunday mornings at nine o'clock at Big Mike's Doughnuts for people who want to get in shape but would rather eat doughnuts and talk with their friends.

What is one thing that you think you couldn't live without? A football? A computer? Your own bedroom? How about the world? God gave Adam the job of taking care of the world. Since he isn't here any more, the job has been passed on to us.

I am reminded that everyone alive can do things to protect the world God created for us to live in. Remember, we take care of the things that we love the most. Show God how much you love him, by taking care of the world that He created for you!

Scoop

Genesis 2:15

"Then the Lord God took the man and put him into the garden of Eden to cultivate it and keep it."

Sad News Today

The fire department burned down while the firemen were away putting out a house fire. It appears that the fire started when someone left a lit candle unattended. Fortunately, no one was hurt at either fire.

RECIPE

Hot pepper ice cream

Get 1 quart of vanilla ice cream. Stir in peppers until they are well blended, and then throw it away. This recipe is really bad. We're sorry that we included it in the newspaper.

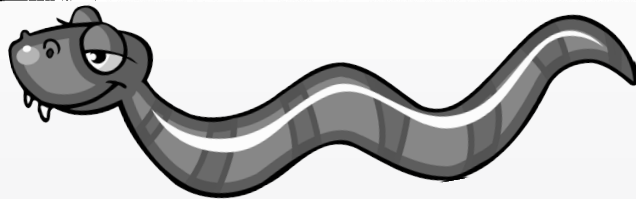

STewardShip JACK & Friends

Georgie, how did you get so dirty?

You must have been cleaning up a really big mess.

I was cleaning.

Yeah, me!
