Sports Roundup

The Stewardville father/son tennis match has been cancelled because all of the fathers went fishing with their sons.

I love walking around Stewardville and seeing all of the smiling people. It's fun to ask people what makes them happy. The answer that shocked me came from an elderly lady walking with a cane. It was obvious to me that every step she took was painful, but when I offered to help her, she thanked me but encouraged me to find someone who really needed help.

The woman explained that she had learned to be content in all situations. She told me that the secret to happiness is knowing that God is with her in good times and bad times. So it really doesn't matter what you have, when you have God in your life, you will be happy!

Scoop

Philippians 4:11

"I have learned to be content in whatever circumstances I am."
