Today you might want to pull out your sweater to wear. Not that it will be cold enough to need one, but you have that new one that you have been wanting to wear.

Sports Roundup

Last night the swim team from Desert Hills didn't make it to the meet because the driver couldn't find his floatie.

DEBT FREE!

The two words of the title are almost opposites. "Debt" means to owe someone. "Free" means that it doesn't have a cost. So who is richer: A man that had to borrow \$500 to buy a computer? Or a man who doesn't have a computer, but doesn't owe any money to anyone?

The man with no debt is richer!

Debt makes people slaves because they now have to work to pay back something they already have or used up. Many people get into debt because they think they need objects to be happy. True happiness and peace can only be found in God. Avoid debt and live free for God!

Romans 13:8

"Owe nothing to anyone."
