There's a chance of rain today. There's a good chance this forecast is wrong so don't worry about it.

### Sports Roundup

Tomorrow's ping-pong tournament has been canceled. If anyone has seen 1500 ping-pong balls around town, please call 555-0339

**T**he Bible says that we are all part of God's family. I asked some people around Stewardville what they like to do for family time. Mr. Michaels, the 4th grade teacher said that he and his wife have game night with their four children. Rosie, a second grader enjoys looking at family pictures with

her family. Mr. Rollins said that the highlight of his week is the family worships where family members take turns planning. Families and friends grow closer when they spend time together. Being with family is great on earth; it will be even better in heaven! I can't wait!
