### YOUR FORECAST

Rain, rain and more rain. We were going to describe it as raining "cats and dogs" but then we thought that Jack and his friends might be expecting new friends. Let's just say that today it's better to travel by canoe than by car.

### Sports Roundup

Wanted: Looking for someone to let me borrow their car so I can enter next week's Demolition Derby. If you let me borrow it, it's very likely I won't be returning it in less than 30 pieces.

## CARING FOR OTHER PEOPLE

**H**ave you ever been somewhere and saw somebody else being mistreated? Maybe you were at school, and you saw the new kid being left out of soccer at recess. Or maybe you were outside playing when you noticed someone being teased. It doesn't matter the circumstance. Part of being a good steward is standing

up for other people. Stewardship involves protecting what God has given us. That includes the people around us. Do you remember how Jesus handled it when the mob brought Mary Magdalene to Him? They wanted Jesus to agree with them and say that she was a bad person. But Jesus values everyone, so there aren't any "bad people" in His eyes. The same thing happened when Zaccheus was forced up a tree in order to see Jesus. Even though the crowd did their best to keep Zaccheus away from the Master, Jesus knew that by befriending Zaccheus, He was doing God's will. So keep your eyes open for a person who needs your help today!

### Ephesians 4:32

Be kind to one another, tender-hearted, forgiving each other, just as God in Christ also has forgiven you.

## ANNOUNCEMENTS

### Looking for Menu

Greasy Burger is looking for help coming up with new menu items. They are looking for foods that are greasy and healthy. So far nothing like that exists.

## NEWS

### Car Wash

The Stewardville Children's Club will be hosting their annual car wash. However, it will be held in the summer this year due to unforeseen problems that occurred by having it on New Year's Day last year during the snow blizzard.

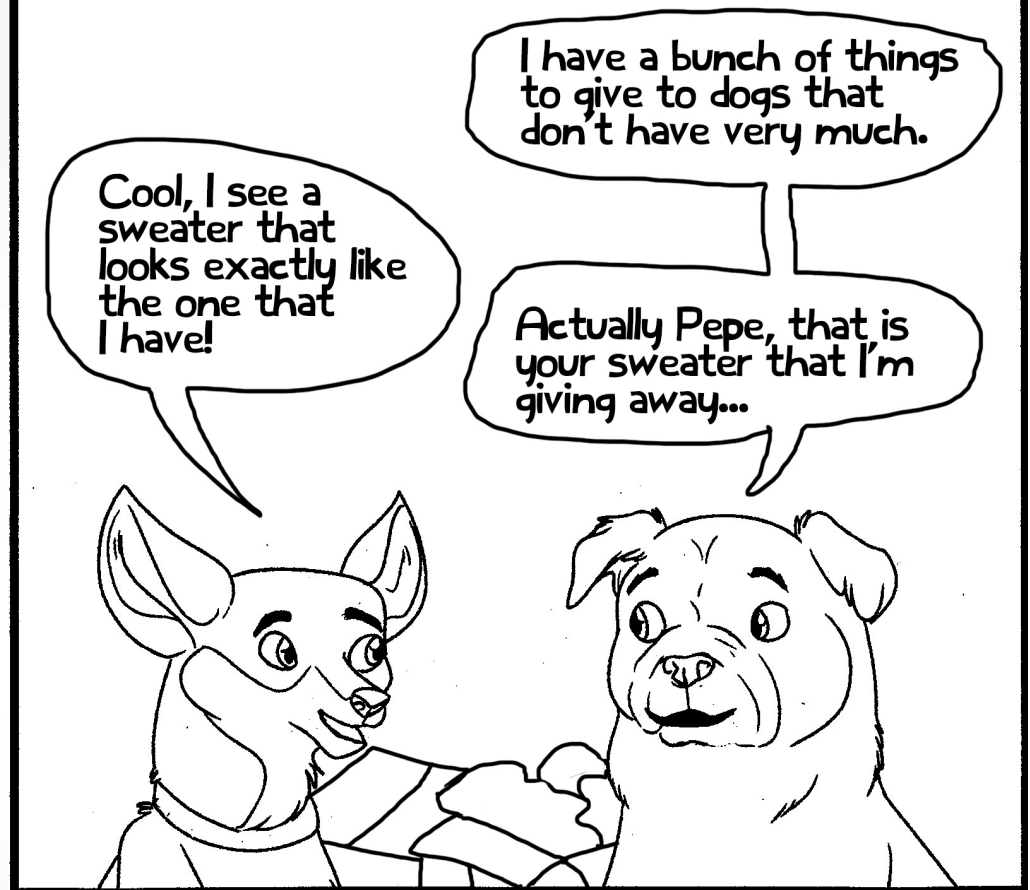

### FOR SALE

#### Used toothbrush

This toothbrush is proven to be good. I used it to brush my teeth for three months, and then cleaned my sink for one month before using it to brush my teeth again. So you know that it is good. Best offer accepted.
