We're not sure what the weather is going to do today. Your guess is as good as ours.

### Sports Roundup

A new record was set in the annual Stewardville Marathon. Mickey McGregor now holds the record for the slowest marathon time in town history. We don't know what his final time is because he is still racing. We interviewed him at Buster's sandwich shop during lunch to confirm that he does plan on finishing the race. He said, "After I'm done with lunch."

**D**o you think that there is a difference between "helping out" because you have been asked, and taking the initiative to help out without anyone having to ask you? There is! A great verse in the Bible is found in Isaiah 65:24. It says, "Before they call, I will answer." That tells me that God actually wants

us to look around for ways to help other people. He doesn't want us to sit at home and wait on Him to tell us what to do. God may send a needy person to your house, but God gave us hands and feet so that we can go to the world and use them for God's glory. When you are close to God, you can see that the world is hurting and that there are people everywhere who need help and love. Get up and go outside and look for ways to serve God. Don't wait for someone to tell you to go; make a point of going out and finding them. He will guide you in all that you do.

### Store Closing

Tom's Shoe Store on Fifth Avenue was forced to close down yesterday for 4 hours after farmer Davis went in to buy a new pair of boots and forgot to tell Tom that he hadn't washed his feet in 5 weeks. The smell forced Bob's Diner next door to close for 2 hours as well.
