YOUR FORECAST

Today will be unpredictable. We suggest you put a handkerchief in the yard. If it gets wet, it's raining. If it's dry, it's sunny. Good luck.

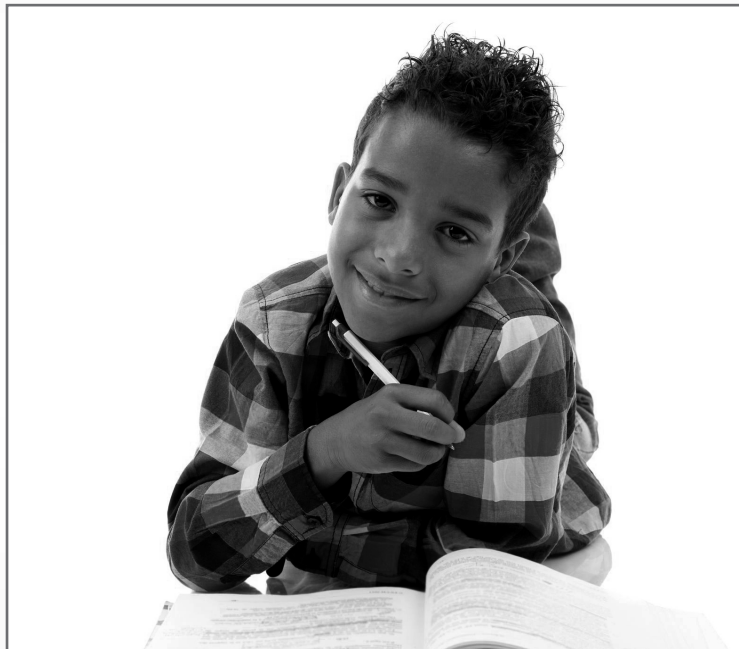

Sports Roundup

We're looking for volunteers to test the new bobsledding track. After last years "flying sled" incident we haven't been able to replace the test team or replace the sled which is still up in Mrs. Johnsons oak tree.

If you were asked what the greatest gift is that God has given you, your brain would be near the top of the list. So what if you were asked the question, "How smart is being smart enough?" The answer is that we are never so smart that we should stop learning. I once read that we only use about 4%

of our brain. That means you still have room left in your brain for more knowledge. Colossians 3:23 says it well: "Whatever you do, do your work heartily, as for the Lord rather than for men." So treat your brain as if you were preparing it to work for God, because that is what you are doing. By the way, I have never met a person who regretted learning new things. So instead of wasting time on the computer or taking a nap, go and learn something new. Then use it to glorify God! Me, I'm going to start learning Arabic. Shuk-ran!

By Scoop, staff reporter

Colossians 3:23

"Whatever you do, do your work heartily, as for the Lord rather than for men."

ANNOUNCEMENTS

Have you ever wanted to be a clown? If so..... get a life. They are as strange as mimes!

.....

NEWS

Congratulations!

Congratulations to Ma Papenjoy for winning this year's pie baking contest. When asked if she would be willing to share the recipe, she admitted she forgot how she made it.

.....

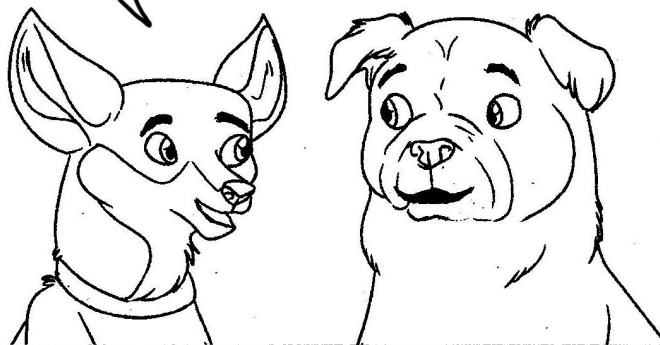

STewardShip JACK & Friends

My mom told me that I have to go to the library and learn something.

Where the library is!

What's the first thing that you want to learn?

ACTIVITY: Find the 10 words listed below. Each word reminds us that God expects us to be good stewards of the amazing brain He gave each of us!

H	A	L	N	C	V	W	R	W	Z	I	A	V	E	L
