Today there is a 20% chance of snow, a 20% chance of rain, a 20% chance of sunshine, a 20% chance of high winds, and a 20% chance that things will be calm. When we predict the forecast like this, we know that we are going to be right!

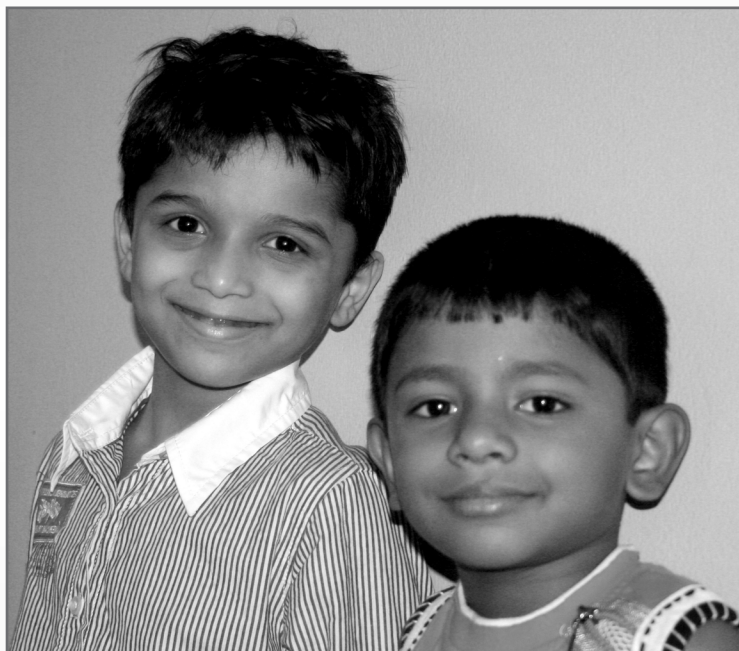

Sports Roundup

Stewardville's "Fear of the Dark Club" is accepting signups for this year's caving tour. Club members are offering \$30 for people to go in their place.

Imagine how the song "This Little Light of Mine" would go, if God didn't expect us to use our lives as an example to other people. Would it be-- "This little light of mine, I'm going to keep it for myself"? Not much of a song to sing about! God gives us experiences in our lives so that we can share them with other people, especially the

experiences that bring us closer to God. Imagine how difficult life would be if you had to experience every lesson for yourself. All of the bee stings, poor grades on tests and burnt fingers, because nobody would share the lessons they learned with you. Jesus shared His lessons with the disciples. The disciples shared their lessons with the early church, and the Bible was written to share those lessons with all of humanity. So help people learn about God's love through your life. Don't make them learn from their own mistakes.
