### YOUR FORECAST

Tonight will be a lunar eclipse. Unfortunately it will happen when you are in bed, so read the paper tomorrow to find out how incredibly cool it was!

### Sports Roundup

The town of Stewardville is starting a new running race. It will be called the "Run for Fun." It will only last for 10 seconds because running for longer than 10 seconds usually isn't fun for most people.

**S**tewardship of money is more than just returning tithes and offerings. It also involves how we save and spend our money. One of the big mistakes that we can make is thinking that things can make us happy. Matthew 6:19 reminds us that the things we treasure on earth can be stolen or destroyed, but our heavenly treasures are secure. The story in the Bible about the widow who gave the

last of her money to the church is very touching. Jesus pointed out to His disciples that she was giving everything that she had to God. Even though it is good to save money and plan ahead, oftentimes we begin to look at the money growing in our bank account and rely on that for security, instead of relying on God. The story of Job is a great example of how God controls everything. He wants us to be wise with our money, but we should never forget the One who is providing it all.
